We are excited to announce that as of August 22, 2017 you will be able to put money on your child's meal account over the internet 24 hours a day, 7 days a week using PayForIt.net. Each year the website will be opened from August 15<sup>th</sup> thru the last day of school year. The payforit will be down for the summer for Southeast Local School district.

By logging onto **www.payforit.net**, you can easily:

- Set up an account
- Deposit money at your convenience into your child's Cafeteria account
- Set email reminders to notify you when you child's account gets low
- Set up recurring payments for your child's Cafeteria account
- Check your child's Cafeteria account balance
- View an activity report so you can see what your child has eaten in the previous 30 days
- You can still send in money with your child

To set up an account, all you will need is:

- A valid email address
- A credit card
- Your child's student identification number above

Each child in your family can be set up on the same account. If you decide to put money on your child's cafeteria account there is a convenience fee of 3.9% per transaction for Visa/MasterCard if your transaction is over 49.99. If the transaction is under 49.99 it's a flat rate of 1.65. The fee is not collected from or for the district. Once the money is put on the account, it typically appears in your child's lunch account in 4 hours.

Best Regards,
